

NOTICE TO HOLDERS OF SOCIETE GENERALE
HYBRID CALLABLE WORST-OF RANGE ACCRUAL NON-PRINCIPAL
PROTECTED NOTES DUE APRIL 30, 2031
IRREVOCABLY AND UNCONDITIONALLY GUARANTEED PURSUANT TO A
GUARANTEE ISSUED BY SOCIETE GENERALE, NEW YORK BRANCH

May 15, 2023

On June 30, 2023, representative 6-month U.S. dollar LIBOR (“LIBOR”) will cease to be published by its administrator, ICE Benchmark Administration.¹ Under the Adjustable Interest Rate (LIBOR) Act (“AIRLA”), on the “LIBOR replacement date” (expected to be July 3, 2023), the Reference Rate for the Hybrid Callable Worst-Of Range Accrual Non-Principal Protected Notes due April 30, 2031 (the “Notes”) will cease to be LIBOR and the polling provisions described in “Description of the Notes – The Reference Rates – LIBOR Rate” in the product supplement will be disregarded. The Reference Rate will become 6-month CME Term SOFR plus a spread of 0.42826%, as determined on the relevant calendar day during the related Coupon Period.² 6-month CME Term SOFR is a forward-looking term rate based on the daily secured overnight financing rate.

The terms of the Notes are disclosed in the pricing supplement, product supplement for rate-linked notes, product supplement for index-linked notes and offering memorandum as listed in Attachment A. The terms of the Notes are revised as described in this notice. All other terms of the Notes remain unchanged. Capitalized terms used but not defined have the meanings ascribed to those terms in the pricing supplement for the Notes.

Under AIRLA and Regulation ZZ of 12 C.F.R. Chapter II, Part 253 (Rule 253), the following additional changes will apply to the Notes:

- The reference in the pricing supplement to the Reuters Screen LIBOR01 Page is replaced by the location on the website of the administrator and publisher of CME Term SOFR (as described below) where 6-month forward-looking term SOFR rates are published;
- The reference in the pricing supplement to 11:00 a.m. London time in the definition of Reference Rate is replaced by 6:00 a.m., New York City time;
- The reference in the pricing supplement to London Business Day is replaced by U.S. Government Securities Business Day (as defined herein); and
- If 6-month CME Term SOFR is not available on a calendar day during the relevant Coupon Period, the most recently available publication of CME Term SOFR will apply.³

A “U.S. Government Securities Business Day” means any day except for a Saturday, a Sunday or a day on which the Securities Industry and Financial Markets Association recommends that the

¹ See <https://www.fca.org.uk/publication/documents/future-cessation-loss-representativeness-libor-benchmarks.pdf> (Mar. 5, 2021). On April 3, 2023, the U.K. Financial Conduct Authority also announced that it will require the administrator of U.S. dollar LIBOR to continue to publish one, three and six-month U.S. dollar LIBOR settings until September 30, 2024, using an unrepresentative synthetic methodology. Unrepresentative synthetic USD LIBOR is not recognized under AIRLA.

² 12 U.S.C. Section 5803(a).

³ See 12 U.S.C. Section 5803(d), Rule 253.5.

fixed income departments of its members be closed for the entire day for purposes of trading in U.S. government securities.

The administrator and publisher of CME Term SOFR is CME Group Benchmark Administration, Ltd. You can find out more about CME Term SOFR at the administrator's website: [CME Term SOFR Reference Rates – Frequently Asked Questions - CME Group](#). Nothing on the administrator's website is a part of, or incorporated by reference in, this notice or the Notes.
